

Tips from the Sex Therapist

Looking for something that will get students involved?
Appeal to a diverse group? And provide valuable
information they can use??

Dona Caine-Francis, MSN, NP is a certified sex therapist and psychiatric nurse practitioner in Charlotte, North Carolina. She is a national speaker and is now presenting *Tips from the Sex Therapist* to young adults and university groups. Dona will provide a fun and informative session where students can share stories, ask questions and get answers from a credible source. Her presentations provide a comfortable environment where students can be honest and upfront with a healthcare professional and get real answers to tough questions.
